**E/G# A B E**  
He died for me, I live for Him,  
**C#m A B E**  
Forever free, forever free.

**E/G# A B E**  
Defeated death, defeated sin;  
**C#m A B (E to chorus)**  
No power on me, no power on me.

He purchased me, to live again,  
Forever shine, forever shine.  
I want to give my every breath  
And live the life, and live the life.

**C#m A B E**  
*Thank you Lord for my sal - vation,*  
**E/G# A B E**  
*For the chance to live a - gain.*  
**C#m A B E**  
*I'll give my life in cele - bration*  
**E/G# A B C#m**  
*To tell the world that Jesus lives,*  
**E/G# A B**  
*Tell the world that Jesus lives.*

He gave a love so undeserved,  
That I might see, that I might see.  
The Father's heart: for all to know  
Eternity, eternity.

Giving worship, giving praise.
