The light of Your presence drawing me

To a new place of intima - cy,

Where deep calls to deep.

Jesus I stand be - fore You now,
 G **A** **Bm**
To capture a glimpse of e - terni - ty;
 G **A**
By Your side, forever more.

And as I enter in to Your presence,
G **A**
Take my hand and lead me
 D **F#m**
To the places that I've never been,
 G **A**
To newer heights with You,

D/F# **G** **A**
Where I soar on eagle's wings,
 D/F# **G** **A**
With You I soar on eagle's wings,
 Bm **G** **A**
Take my hand and lead me in
 Em
To Your presence,
G **D**
That's where I be - long.
